

# Geo Healing Arts

## Vibrational Healing Therapy

All of us are composed of energy and matter. Energy is what keeps matter alive and blossoming. When our energy centers and fields are harmonized, our self-healing process is activated.

Geo Healing is a Vibrational Therapy, combining several energy healing modalities, to create an individualized formula for each client.

Clear Quartz helps center your energies, and nourishes you with whole-spectrum light frequencies.

Sign up today at Dr. Potter's office, or contact us directly, to set up individual, group or family sessions.
